

The Outdoor classroom

"We didn't realize how much we could do in our grounds or how well the children would engage in the activities."

The workshop gave us ideas and made us plan to do far more ourselves – and not just in the summer!"

A 'Hands-on Learning' workshop for Primary School teachers and staff in your own school grounds

Aims of workshop

- Introduce teachers to the ethos and benefits of the 'Outdoor Classroom'
- Provide teachers with the inspiration and confidence to take the National Curriculum outdoors
- Experience a variety of activities that can be used in the school grounds to make learning outdoors fun and accessible
- Help teachers engage children with the natural environment
- Break down some of the barriers between indoor and outdoor learning

Objectives of workshop

Workshop participants will:

- Understand the benefits of the 'Outdoor Classroom'
- Explore a wide range of environmental education activities
- Discover ways of connecting the National Curriculum with fun outdoor learning activities
- Receive resources and ideas for further inspiration
- Learn new skills to try out at school

Training providers

All tutors have CRB checks, insurance and practical experience of connecting exciting outdoor learning experiences with the national curriculum in inspirational ways.

BOOK NOW

We come to you, simply book a staff meeting or inset day and start using your outdoor space in new and interesting ways. To make a booking, contact Annie Lywood direct at Bath Forest School:

Launched in November 2006 the 'Education Outside the Classroom Manifesto' states that:

'Every young person should experience the world beyond the classroom as an essential part of learning and personal development, whatever their age, abilities or circumstances.'
