

Wild Words

Outdoor literacy activities for KS1 & 2

Sessions led by experienced Forest School Leaders —
Annie Lywood and Helen Moore — specializing in
activities aimed at developing children's literacy skills.

**Word games, story-making,
poetry & creative writing,
all inspired in the natural world**

These fun, interactive sessions draw on a wealth of resources
— not only what the children find around them
(flora and fauna, the seasons and weather) —
but also what we bring to them, including:

**traditional stories and folktales, puppetry, games,
arts, crafts, quests and challenges.**

The children embark on magical outdoor experiences,
which fire their imaginations and provide them with plenty of
ideas and the descriptive language with which to express them.
They are then guided in ways to craft rich stories and poems.

Acorn, Bee, Cloud

Annie Lywood (Bath Forest School) is also a teacher,
and Helen Moore (Shared eARTH Learning Project)
is a poet and children's author.
